EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Robert Kain on August 13, 2003.

The application has been amended as follows:

Non-elected claims 13-18 have been canceled.

2. The following is an examiner's statement of reasons for allowance:

Claims 1-12 and 19-21 are allowed.

It is noted that the claims are not allowed for the reasons argued by Applicants in their remarks filed on June 17, 2003, but because upon reconsideration of the prior art applied by the Examiner it was noted that the structure taught by the LaMarca, II et al. reference fails to teach a structure that comprises a layer of a thin sheet of aluminum laminated to the knit fabric. LaMarca, II et al. teaches the use of a fragmented aluminum foil sheet material and needling and not bonding of the layers.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
